## GENERAL INFORMATION

Promoting balance between body and mind, Hotel Unique and Caudalie have designed a special massage room, aimed at providing skin care, wellness and relaxing moments.

The massage room offers body and facial treatments with Caudalie products – a French brand which pioneered the use of grapes with their exceptional healing powers.

You may enjoy the fitness center (internal pools and sauna) for 30 minutes before the treatment. We suggest bringing bathing suits to enjoy this space. Our massage room has a capacity for up to two customers simultaneously. Hotel Unique offers bathrobes, towels and slippers for use during your visit. We will ensure your maximum comfort and privacy.

We kindly ask you to arrive at Hotel Unique 15 minutes prior to your scheduled treatment. Delays may reduce the time of your therapy, since other customers may have scheduled treatments in the hours ahead. We ask you to kindly leave any valuables in the lockers that are provided upon request.

In case of pregnancy or any medical restrictions, please report immediately to our staff. Customers under 18 years old must be accompanied by parent or guardian.

### Cancellation Policy:

Cancellations or rescheduling require a minimum 5-hour in advance notice. Cancellations made less than five hours in advance will be charged the full amount of the treatment. For UNIQUE EXPERIENCE treatments requested by Hotel Unique's non-guests, full payment should be made in advance. Non-refundable.
